

**Missouri Coalition of Recovery Support Providers**

**Temporary Operating Procedure: Recovery House Reviewers**

**Criteria and Fees**

**Effective: October 2, 2020**

Purpose: The purpose of this temporary operating procedure is to establish the criteria and allowable fees to be charged for recovery housing reviewers.

Criteria for a recovery housing reviewer:

- MCRSP member (at least one on the team)
- Trained as a recovery housing reviewer
- Experienced in recovery housing, past or current
- Each review team would have an assigned lead reviewer and a co-reviewer.
- The review team would be composed of one reviewer from the area that the recovery residence to be reviewed is located and one from outside the area

As an alternative, MCRSP housing staff may conduct the review. MCRSP staff may serve as the lead reviewer and two staff may serve in both the lead and co-reviewer positions. It is always preferred to use at least one housing reviewer from the area of the house being reviewed, but is not necessary if it is not possible or convenient to complete a timely review.

**MCRSP Recovery Housing Reviewer Fees**

- Current Daily Fee Paid for Lead Peer Reviewer:..... \$150.00 for the first house and \$10 for each additional house reviewed on the same day.
- Current Daily Fee Paid to Co-Reviewer... .....\$100.00 for the first house and \$10 for each additional house reviewed on the same day.
