

MCRSP LIFELINE

Missouri Coalition of Recovery Support Providers

June 30, 2023 ~ Edition 3 Volume 5

MCRSP at a Glance

Missouri Coalition of Recovery Support Providers members are very different in their expertise and approach to recovery, they are united in beliefs!

- Recovery is possible and sustainable
- Recovery is different for every individual
- Access to the full range of recovery resources should be available to every Missourian, regardless of their ability to pay

The road taken is not as important as reaching the destination. This is because recovery is an individual process, and there's more than one way to get there.

Throughout Missouri, there are peers, community organizations and faith-based ministries that assist people who are trying to find the change process known as recovery. Recovery Service Providers are channels of hope and encouragement, throwing a lifeline to individuals and families who are looking for a place to get help.

MCRSP has established a Statewide Recovery-Oriented System of Care (ROSC) in Missouri through five regional ROSC Affiliates.

- Central/Northeast Region - Central Missouri Recovery Coalition
Dan Hanneken, Chair
- Eastern Region: Recovery Coalition of Greater St. Louis
Jordan Hampton, Chair
- West/Northwest Region - Kansas City Recovery Coalition
Bobbi Jo Reed, Chair
- Southwest Region: Recovery Coalition of the Ozarks
Merna Eppick, Chair
- Southeast Region: Southeast Missouri Recovery Alliance (SEMRA)
Ronnie Sells, Chair
