## **MCRSP Seeking New Executive Director**

The Missouri Coalition of Recovery Support Providers, hereafter referred to as MCRSP, is seeking an Executive Director. The 14-member Search Task Force (STF) is made up of MCRSP Coalition Leadership members appointed by the MCRSP Executive Board from each service region with the confirmation of the Missouri Department of Mental Health/Behavioral Health Division. MCRSP is a network of faith, peer, and community organizations that restore and rebuild lives and families seeking recovery from substance use disorders through immediate access and long-term relationships. The coalition's overall vision is to provide and build a unified voice for Missouri Recovery Support Providers within the state and throughout the nation. In addition, MCRSP serves as the Missouri state affiliate for the National Alliance of Recovery Residences, (NARR), with the primary task of accrediting recovery housing programs by NARR Standards. Reporting to the MCRSP Executive Board of Directors, the Executive Director will oversee the operations of MCRSP staff and the state-wide coalition.
